BOBCAT

morning breeze

BOBCAT- MORNING BREEZE from Share Corporation is a thickened, foaming, non-acid hard surface cleaner that is primarily intended for use in rest rooms. **BOBCAT- MORNING BREEZE** is a bowl, chrome and tile cleaner, however you can use it on just about any surface you find in your rest rooms. Since **BOBCAT-MORNING BREEZE** contains no harsh chemicals or abrasives, it will not etch porcelain or pit fixtures nor will it harm PVC, metal or lead pipe plumbing. The highly effective foaming cleaners in **BOBCAT-MORNING BREEZE** remove common rest room soils, leaving surfaces spotless. **BOBCAT-MORNING BREEZE** eradicates odors with a highly effective "two punch combination". First, the odor neutralizing "quats" in the formula eliminate foul odors and then they're replaced with a pleasant, fresh fragrance.

Toilet Bowls & Urinals:
Remove water from bowl by forcing over trap with an applicator or plunger. Remove excessive water from applicator by pressing it against the side of the bowl. Squirt 1 to 2 ounces of **BOBCAT-MORNING BREEZE** under rim and allow it to run down the bowl. Clean the entire unit, especially under rim and at water outlets. Allow cleaner to remain on surface for 5 to 10 minutes, then flush and rinse out applicator.

Hard, Non-Porous Surfaces:
Evenly apply **BOBCAT-MORNING BREEZE** to surface to be cleaned. Agitate with a sponge or brush. Rinse thoroughly.

Please Recycle.
