GUARD ALL

VINYL CONDITIONER & PROTECTANT

PO BOX 245013
MILWAUKEE, WI 53224
800.776.7192
www.sharecorp.com

Use **GUARD ALL** to protect against fading, cracking, dulling, hardening and deterioration of wood and leather, plastics, vinyl and rubber surfaces. Its anti-static properties repel dust to keep things looking "like new". **GUARD ALL** is odorless, non-toxic and non-corrosive.

DIRECTIONS:

Spray on the surface to be treated. Spread evenly with a cloth. Allow **GUARD ALL** to penetrate for several minutes, then buff to a gloss with a clean cloth.

For the first application, three coats of **GUARD ALL** are recommended. Maintain finish as needed.

Do not use on or near clear plastic. Do not use on steering wheels, pedals, and other instrumentation where slipperiness may present a hazard.

NFPA® RATINGS:

Health: 1; Flammability: 0; Reactivity: 0

INGREDIENTS/CAS #:

Water (7732-18-5); Polydimethylsiloxane (63148-62-9); Linear Alcohol Ethoxylate (34398-01-1); Aminoethylaminopropylpolysiloxane (68554-54-1); Ethoxylated Isoalcohols (78330-21-9).

DISPOSAL: Offer empty container for recycling. If recycling is not available, discard container in trash.

For industrial and commercial use only.

For additional information, see Safety Data Sheet.

Please Recycle.
