NFPA* RATINGS:
Health: 1, Flammability: 0, Reactivity: 0

INGREDIENTS/CAS #:
Water (7732-18-5); C5-C9 Alkyl Amphopropionate (70983-43-6); Sulfosuccinamate (38916-42-6); Tetrapotassium Pyrophosphate (7320-34-5); Tetrasodium Ethylenediamine Tetraacetate (64-02-8)

*For industrial and commercial use only.
For additional information, see Safety Data Sheet.*

WARNING: This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.

Clean and brighten carpets and rugs for longer life and better appearance. This powerful detergent removes embedded dirt and ground in grime, separating the individual fibers and raising the nap. This cleaner is designed for steam or hot water extractors, and contains corrosion inhibitors to protect machines.

DIRECTIONS:
Grease and oil stains should be removed with **SOLVENT CARPET CLEANER** prior to extraction. Difficult food, drink, and blood stains should also be pretreated. Vacuum rug or carpet.

Use 2 to 4 ounces per gallon of water in extractor tank. Follow manufacturers directions for machine's use.

Please Recycle.
