Offer empty container for recycling. If recycling is not available, discard container in trash.

NFPA RATINGS:

Health: 0; Flammability: 0; Reactivity: 0

INGREDIENTS/CAS #:

Water/7732-18-5; Non-Ionic Water Soluble Polymer/Proprietary; DMDM Hydantoin/Mixture; 1,1'-Oxydipropen-2-ol/110-98-5; 1,2-Benzisothiazol-3(2H)-one/2634-33-5

WARNING:

This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.

SILT & SAND REMOVER is designed to break up and disperse organic and inorganic deposits that may accumulate in sewers. When used with a program of regular cleaning and flushing, it helps keep piping, wells and basins free-flowing and clear of deposits.

DIRECTIONS:

Use at a rate of 1/2 to 1 gallon for each 1000 gallons of flushing water.

RECOMMENDED DOSAGES PER 400 FEET:

| | |
|----------|-----------------|
| 4" Line | 2 to 4 gallons |
| 6" Line | 4 to 6 gallons |
| 8" Line | 6 to 8 gallons |
| 10" Line | 8 to 10 gallons |

For industrial and commercial use only.

For additional information, see Safety Data Sheet.

Please Recycle.
