Health: 2; Flammability: 1; Reactivity: 0

INGREDIENTS/CAS#:

Methyl Ester of Soybean Oil (67784-80-9); Linear Alcohol Ethoxylate (34398-01-1); 1-Undecanol (112-42-5); Proprietary Fragrance (Mixture).

KEEP OUT OF REACH OF CHILDREN.

EARTH'S OWN SOY-PRO is a revolutionary, emulsifiable degreaser that utilizes the extraordinary solvent activity of soy methyl ester to quickly penetrate and dissolve thick grease deposits without the hazards associated with other degreasing solvents. **EARTH'S OWN SOY-PRO** easily emulsifies with water making it ideal for those tough cleaning jobs in locations ranging from wastewater treatment plants to household drains and septic tanks. Janitorial chores in all institutions are made easier, simpler and more pleasant by utilizing **EARTH'S OWN SOY-PRO's** powerful cleaning ability and fresh green apple fragrance.

DIRECTIONS:

GENERAL CLEANING: Use full strength to remove wax, gum, and tar from carpeting and upholstery. Follow with hot water extraction to remove any residue. A solution of 1 to 2 ounces of **EARTH'S OWN SOY-PRO** per gallon of clean water makes an ideal solution for cleaning and deodorizing walls, floors and any other water washable surfaces.

DRAINS AND GREASE TRAPS: Pour 1 pint of **EARTH'S OWN SOY-PRO**, full strength, into drains. Allow **EARTH'S OWN SOY-PRO** to remain in drain 2 to 4 hours then flush with warm to hot water. A routine maintenance program, utilizing regular weekly additions of **EARTH'S OWN SOY-PRO**, will significantly reduce the grease accumulation in drains and grease traps.
