

TETRA-CHLOR

LOW TEMPERATURE ICE MELTER

Melts snow and ice to -20° F.
Will not harm lawns, trees or shrubs.
Ideal for driveways, sidewalks and steps.

WARNING

INHALATION: Over exposure to dust may produce irritation of the mucous membranes.
SKIN CONTACT: May cause irritation, particularly on damp skin.
EYE CONTACT: May cause eye irritation.
INGESTION: Negligible risk unless in large quantities.

PREVENTION

INHALATION: Remove from exposure. Seek medical aid if condition persists.
SKIN CONTACT: Wash thoroughly with soap and water. Seek medical aid if condition persists.
EYE CONTACT: May cause eye irritation.

INGESTION: Give 1 - 2 large glasses of water or milk. Induce vomiting. Seek medical aid if condition persists.

STORAGE

Store in a cool, dry location, remote from strong acids.

DISPOSAL

If contaminated with other materials, the nature and extent of contamination may require the use of specialized disposal methods. If disposal is necessary, comply with all local, state, and federal regulations. Contact your local EPA office for help.

KEEP OUT OF REACH OF CHILDREN

For industrial and commercial use only.
For additional information, see Safety Data Sheet.

Spread at the rate of about 1/4 cup per sq. yd. Leaves no messy white residue to coat sidewalks or to be tracked into buildings. Remove slush immediately to prevent penetration of porous areas and cracks in the concrete, as continual thawing and freezing action can cause damage to poor quality concrete. Will not harm carpet or flooring.

PRECAUTION

Do not use on concrete less than 1 year old. This product should not be used on pre-cast concrete steps, pre-cast masonry walks or steps, or on any questionable quality concrete or used in excessive amounts. Excessive amounts may cause surface flaking or scaling and increase the freeze/thaw cycle increasing the chance of chipping and cracking.

INGREDIENTS/CAS#

NaCl - Sodium Chloride (007647-14-5)
CaCl - Calcium Chloride (010043-52-4)
MgCl- Magnesium Chloride (7786-30-3)

NFPA® RATINGS

Health: 1; Flammability: 0; Reactivity: 0
