EXTRA-SORB

If you feel unwell, seek medical advice (show the label where possible).

IF INHALED: Remove the victim into fresh air.

IF ON SKIN: Rinse skin with water/shower.

IF IN EYES: Rinse immediately with plenty of water. Remove contact lenses, if present and easy to do. Continue rinsing.

IF INGESTED: Call a poison center or a doctor if you feel unwell.

In case of fire: All extinguishing media allowed.

DISPOSAL:

Offer empty container for recycling. If recycling is not available, discard container in trash.

NFPA® RATINGS:

Health: 1; Flammability: 0; Reactivity: 0

CONTAINS/CAS#:

Food Starch/Proprietary; Crosslinked Sodium Polyacrylate/9003-04-7; Post Treatment/Trade Secret; Fragrance/Mixture

For industrial and commercial use only.

For additional information, see Safety Data Sheet.

EXTRA-SORB super absorbent powder offers the latest development in polymer technology. In just seconds, turn water-based spills into a thickened gel - will not run or drip - for fast, easy pickup and disposal. Neutralizes accident odors, too! Quickly absorbs all types of water-based spills, including blood, urine, vomit and other liquid spills. Saves time and money, and minimizes contact with human and animal waste.

DIRECTIONS:

1. Sprinkle contents evenly on spill.
2. Close container.
3. Allow 2 minutes for **EXTRA-SORB** to absorb moisture.
4. Sweep up and dispose in accordance with any applicable regulations.

APPLICATIONS:
