For industrial and commercial use only.

For additional information, see Safety Data Sheet.

Please Recycle.

Canister made from 25% post-consumer recycled plastic.

D'LOX JUST GO is an advanced carpet spotter and stain eliminator formulated with the power of hydrogen peroxide. This advanced formula contains "oxygen-based" cleaners combined with special surfactants and selected anti-resoiling agents. These additives allow **D'LOX JUST GO** to dry to a tack-free residue to be easily vacuumed away. The anti-resoiling additives coat carpet fibers to prevent dirt from redepositing on recently cleaned areas without leaving a detectable feel or appearance.

DIRECTIONS:

Spray on stain or soil. With a clean dry cloth, work from the outside of the stain towards the middle in a circular motion. Allow to dry to an invisible powder, which may be vacuumed away at any time. Always test in an inconspicuous area before using.

NFPA® RATINGS:

Health: 2; Flammability: 0; Reactivity: 0

INGREDIENTS/CAS #:

Water (7732-18-5); Hydrogen peroxide (7722-84-1); Styrene maleic anhydride resin, cumene end-capped, ammonium salt (52720-34-0); Alcohols, C9-11 ethoxylated (68439-46-3); Diethylene glycol monobutyl ether (112-34-5).

DISPOSAL:

Offer empty container for recycling. If recycling is not available, discard container in trash.
