Dispose of contents/container to comply with local/regional/national/international regulations.

Please Recycle.

This potent, water dilutable cleaner/degreaser concentrate removes pesticide and adjuvant residues to reduce the occurrence of chemical cross contamination.

CHEM TITAN is a powerful alkaline product formulated in an ultra heavy duty concentrate. Carefully tested ingredients with special hard water tolerance, provide superior cleaning ability to emulsify and disperse tough deposits. This ultimate in water soluble cleaner concentrates is safe for most painted surfaces.

DIRECTIONS FOR USE: For large volume sprayers, 1 quart will treat up to 100 gallons of solution. Be certain to circulate **CHEM TITAN** throughout the entire spray system for at least 5 to 10 minutes. Use a high pressure spray or hose to rinse all interior areas and spray tank walls. Drain hoses, spray lines, and nozzles for at least 1 minute. After cleaning, rinse all tank and spray areas thoroughly. For hand held sprayers, use 3 ounces of **CHEM TITAN** per 1 gallon of water, agitate thoroughly and drain. Rinse thoroughly with a clean water rinse.

NFPA RATINGS

Health: 2; Flammability: 1; Reactivity: 0

INGREDIENTS/CAS #:

Water (7732-18-5); 2-butoxyethanol (111-76-2); Sodium Tripolyphosphate (7758-29-4); Potassium Hydroxide (1310-58-3); Sodium Metasilicate (6834-92-0); Cocoamide (8051-30-7).

WARNING:

This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.
