TAHAWA

ENVIRONMENTALLY SAFE ICE MELTER

Melts snow and ice below zero: 0°F to -5°F. Environmentally safe for trees, lawns and shrubs. Ideal for driveways, sidewalks and steps.

WARNING:

Over exposure to dust may produce irritation of the mucous membranes. May cause irritation, particularly on damp skin. May cause eye irritation. Negligible risk unless in large quantities.

DIRECTIONS:

Spread at the rate of 1/4 cup per sq. yd. Leaves no messy white residue to coat sidewalks or to be tracked into buildings. Remove slush immediately to prevent penetration of porous areas and cracks in the concrete, as continual thawing and freezing action can cause damage to poor quality concrete. Will not harm carpet or flooring.

NOTE: Do not use on concrete less than 1 year old. This product should not be used on pre-cast concrete steps, pre-cast masonry walks or steps, or on any questionable quality concrete or used in excessive

Sold by:

amounts. Excessive amounts may cause surface flaking or scaling and increase the freeze/thaw cycle increasing the chance of chipping and cracking.

KEEP OUT OF REACH OF CHILDREN

INGREDIENTS/CAS #:

Sodium chloride (7647-14-5); Calcium chloride (10043-52-4); Magnesium chloride (7786-30-3)

NFPA® RATINGS:

Health: 1; Flammability: 0; Reactivity: 0

STORAGE:

Store in a cool, dry location, remote from strong acids.

Please Recycle.
