Liqui-Gem WASH

DANGER:

Causes serious eye damage. Suspected of causing cancer. May cause damage to organs through prolonged or repeated exposure.

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Do not breathe mist, spray. Wear eye protection, protective clothing, protective gloves.

IF IN EYES:

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If exposed or concerned: Get medical advice/attention. Immediately call a doctor, a POISON CENTER. Get medical advice/attention if you feel unwell.

Store locked up.

Dispose of contents/container to comply with local/regional/national/international regulations.

For industrial and commercial use only.

For additional information, see Safety Data Sheet.

Please Recycle.

APPLICATION DIRECTIONS:

LIQUI-GEM WASH should be used in all damp mop operations. The excellent detergency and slightly alkaline pH combine to create a cleaner that safely removes the dirt that can scratch or abrade finishes without attacking the floor finish.

Under normal cleaning conditions, dilute 1 part of **LIQUI-GEM WASH** in 30 parts of water. Under difficult cleaning conditions, dilute 1 part of **LIQUI-GEM WASH** in 15 to 20 parts of water.

LIQUI-GEM WASH is an excellent cleaning agent on all surfaces, or for use with steam or mechanical cleaning devices in all departments of official establishments operating under the Federal meat, poultry, shell egg grading and egg products inspection programs.

NOTE: Use of **LIQUI-GEM WASH** in edible product processing areas of federally inspected meat and poultry plants require the rinsing of processing surfaces with potable water.

KEEP FROM FREEZING.

NFPA® RATINGS:

Health: 2; Flammability: 0; Reactivity: 0

INGREDIENTS/CAS #:

Water/7732-18-5; Cocoamide/8051-30-7; Disodium Phosphate/7758-79-4; Coco Soaps/7487-79-8; Diethanolamine/111-42-2
