

NON-FLAMMABLE
ALL PURPOSE DEGREASER
HIGH SOLVENCY
FAST DRYING • FILM FREE

DANGER

Keep out of reach of children. Read label and SDS before use. Contains gas under pressure; may explode if heated. May cause cancer; suspected of causing genetic defects (route of exposure: inhalation). May cause drowsiness or dizziness. Causes skin irritation. May cause an allergic skin reaction.

KEEP OUT OF REACH OF CHILDREN
See additional cautions on back panel.

NET WEIGHT: 20 oz.

SAFETY SOLVENT is a powerful solvent cleaner with low toxicity and non-flammable qualities. Its high dielectric strength makes it ideal for use around energized electrical equipment, motors, switches, meters, circuit boards, and electronics. This product is also non-conductive.

Dielectric Strength (ASTM-D-877-80): 36 kV

DIRECTIONS:

Hold nozzle 6 to 8 inches from surface to be cleaned. Spray, allowing **SAFETY SOLVENT AEROSOL's** flushing action to knock away surface contamination. Wipe surfaces clean and dry, or simply allow the solvent to evaporate.

ADDITIONAL USES:

Automotive: Mechanical equipment, removes road tar from painted surfaces.
Print Shops: Removes ink, paper, lint, etc., from rollers, bindery equipment and mechanical parts.

Office: Ideal for adding machines, clocks, watches, typewriters, small motors and engines, etc.

Packaging: Cleans and de-waxes wrapping and packaging machinery, etc.

HVAC Equipment: Lubricate equipment after cleaning.

NOTE: May damage some plastics. Always test in an inconspicuous place before using on plastic surfaces.

DANGER:

Keep out of reach of children. Read label and SDS before use. Contains gas under pressure; may explode if heated. May cause cancer; suspected of causing genetic defects (route of exposure: inhalation). May cause drowsiness or dizziness. Causes skin irritation. May cause an allergic skin reaction.

PREVENTION:

Obtain special instructions before use. Do not handle all safety precautions have been read and understood. Do not breathe mist/vapors/spray. Use only outdoors or in a well-ventilated area. Pressurized container: Do not pierce or burn, even after use. Wash hands and face thoroughly after handling. Wear protective gloves, clothing and eye protection. Do not eat, drink or smoke when using this product. Contaminated clothing must not be allowed out of the workplace.

IF SWALLOWED: Immediately call a POISON CENTER or a doctor. Do NOT induce vomiting.

IF ON SKIN: Wash with plenty of soap and water.

IF skin irritation or rash occurs: Get medical attention. Take off contaminated clothing and wash before reuse.

IF IN EYES: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing.

IF eye irritation persists: Get medical attention.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER if you feel unwell.

If exposed or concerned: Get medical attention.

STORAGE:

Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Store locked up.

DISPOSAL:

Dispose of contents and container in accordance with all local, regional and national regulations.

INGREDIENTS/CAS#:

Trichloroethylene (79-0106); Carbon Dioxide (124-38-9)

NFPA® RATINGS:

Health: 2; Flammability: 1; Reactivity: 0
