

SAFE BRAKE

MULTI USE CLEANER

MULTI-USE CLEANER

DANGER:

Contains gas under pressure; May explode if heated. Causes skin and serious eye irritation. May damage fertility or the unborn child. May cause drowsiness and dizziness. May cause damage to Central nervous system, Reproductive system, Kidney, and Liver through prolonged or repeated exposure.

KEEP OUT OF REACH OF CHILDREN

See back panel for further cautions and first aid instructions.

NET WEIGHT: 12 ounces (340 grams)

SAFE BRAKE is a new generation of brake cleaners. This non-flammable, non-chlorinated product features both safety and effectiveness. Not only will **SAFE BRAKE** power through brake dust, grease, oil and dirt on brakes, it also cleans delicate mechanical, electrical and electronic parts without disassembling. Non-conductive **SAFE BRAKE** blasts away dirt, oil, grease and dust from electrical contacts, critical mechanical parts and electronic assemblies. It dries in seconds and leaves no gummy residues.

DANGER:

Contains gas under pressure; May explode if heated. Causes skin and serious eye irritation. May damage fertility or the unborn child. May cause drowsiness and dizziness. May cause damage to Central nervous system, Reproductive system, Kidney, and Liver through prolonged or repeated exposure.

PREVENTION:

Keep away from heat, sparks, open flames, and hot surfaces - No smoking. Do not spray on an open flame or other ignition source. Pressurized container. Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°/122°F. Store in well-ventilated place. Wash hands thoroughly after handling. Wear protective gloves and eye protection. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood.

RESPONSE:

If exposed or concerned: Get medical attention. Do not breathe fumes, mist, vapors, and spray. Get medical advice or attention if you feel unwell. Use only outdoors or in a well ventilated area.

IF ON SKIN: Wash with plenty of water. **If skin irritation occurs:** Get medical attention. Take off contaminated clothing and wash before reuse.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists: Get medical attention.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell.

STORAGE:

Seal locked up.

DISPOSAL:

Dispose of contents and container in accordance with local, state, and national regulations.

DIRECTIONS:

Shake can well before using. Spray **SAFE BRAKE** directly on part or contact to saturate and flush away accumulated debris. Use extension tube for pinpoint cleaning. Operate relays or switches to assure complete cleaning. Current does not have to be turned off during application but it is advised that this product not be used on energized equipment.

Safe on most plastics, such as polypropylene, Neoprene W, Buna N, Buna S, nylon, Teflon®, silicone rubber, and polyurethane. *If unsure of compatibility, test in an inconspicuous area prior to use.
