

# WIZZARD PLUS AEROSOL

## Instant Carpet Spotter

**Form:** Aerosol liquid

**Color:** No data available

**Odor:** Characteristic

**pH:** No data available

**Solubility (in water):** No data available  
**(in mineral spirits):** No data available

**VOC Content (% by weight):** 12.9 (liquid)

**Flash Point (TCC):** 101°F

**Specific Gravity:** 0.92 g/cm<sup>3</sup> estimated

**Density:** 7.64 lbs/gal estimated

**Storage Stability (at 70°F):** 1 year

**Ingredients**

**C.A.S. #**

Water.....	7732-18-5
Diethylene Glycol Monoethyl Ether ..	111-90-0
Isopropanol.....	67-63-0
Butane .....	106-97-8
Propane .....	74-98-6

**WIZZARD PLUS Effectively Removes...**

- **Tea Stains**
- **Soft Drink Stains**
- **Oil Stains**
- **Grease Stains**
- **Kool Aid® Stains**
- **Mud Stains**
- **Ink Stains**
- **Urine Stains**
- **Blood Stains**
- **Ketchup Stains**

**...and many more problem stains.**

**DIRECTIONS:** Shake well and immediately before spraying. Remove any excess material, grease or liquids. Turn can upside down, give the spot one or two short blasts – no need to saturate the spot. For tough spots, allow WIZZARD PLUS to work for a minute, then spray again. Old, dried spots and set stains may require some agitation. Some stains caused by acids or dyes may be permanent and cannot be removed. WIZZARD PLUS is safe on most carpet fibers. If in doubt, pretest in an inconspicuous area for colorfastness.

**NOTE:** Stains can become set-in after steam extraction or other carpet cleaning methods. In such cases, additional application or sponging may be required.
